**For Immediate Release**

**Dual Purpose Personal Monitor/PA System from Galaxy Audio**

Galaxy Audio a leader in Pro Audio solutions introduces the GPS-8 full range personal monitor and PA system. The Galaxy Audio GPS-8 packs a huge sound while remaining compact and versatile. The GPS-8 is a powered, 200 watt, two-way, compact PA speaker with an 8" woofer, 1" compression driver and a frequency response of 75-Hz to 17.5 MHz. A unique asymmetrical shape allows for wedge placement or pole mounting. GPS-8 includes a Bass Boost feature which enhances low end.

Additional units can be linked via XLR-M pass through jack. Other features of GPS-8 include: Built in limiter, lighted power switch, universal power supply, integrated carry handle and a lightweight, durable, compact, attractive housing. Four M8 threaded suspension points are accessible for permanent mounting of the unit.

The Galaxy Audio GPS-8 will be available from all Galaxy Audio dealers and distributors.

**Street Price**  
**GPS-8 - \$199.99**

**Availability: Q2 2016**
