

ANY SPOT TRAVELER 5

AS-TV5

ALL INCLUSIVE PORTABLE PA SYSTEM

The TV5 is an AC/battery operated portable PA System. The compact system features a 5" full range woofer, 30 watt powered amplifier, and can be configured in a variety of ways to meet your specific needs. Features of the standard Traveler include: 2 Inputs (1/4" and an 1/8" input each with its own volume control), tone control, and a Master Volume. Audio Outputs include an 1/8" output.

The Universal Power Supply/Battery Charger allow the Traveler to be used anywhere in the world. The Traveler has a unique "plug in" modular design, which allows optional Function Modules to be easily added or removed. Optional Modules include Wireless Mic Receivers (with Handheld, Headset, & Lapel options) and an MP3 player. Since all the Modules are internally wired, no external patching is necessary. The Traveler is designed for people who need a portable, lightweight (9lbs.), "all in one" PA system that allows for a quick and uncomplicated setup. The Traveler TV5 is perfect for mounting in a classroom, courtroom, conference/meeting room, guided tours, projector cart, etc.

**BATTERY OPERATED
WIRELESS SPEAKER**
